

Zjistěte velikost prstenu, podle již stávajícího prstenu:

1. Vytiskněte tento soubor 1:1 na papír o velikosti A4.
2. Zkontrolujte si, že tato čára měří 2 cm. 
3. Najděte kroužek odpovídající vnitřní straně vašeho prstenu. **To je Vaše velikost.**

* Můžete také změřit vnitřní průměr prstenu a najít odpovídající velikost.
